BRANCH: **CSE**

COURSE: **WEB PROGRAMMING**

Introduction & Background

This is an online shopping market website mockup. The theme followed for this particular website is apparel shopping. It can be improved with further additional features in the future. Description of the website layout

1. The website contains two pages with easy navigation between pages
2. Both the web pages contain all the basics HTML tags along with the advanced tags
3. The home page contains a tabular display of 12 items(minimum requirement)
4. Additional to point 3, various other features were added to understand and implore more of the front end web development part.
5. The second page namely, product details is divided into more than 1 section. It contains an image of the product selected along with its details.
6. The second page also contains the reviews given by various users
7. It has a footer for contact details as well

Submission Guidelines & Requirements

Follow the mentioned steps to successfully run the website:

1. The easiest way to directly open the website using the link:
   https://shahkv95.github.io/Onlline-shopping-mart-website-mockup/index.html

2. You can also view the website by downloading the website code to your local system. After downloading the repository, open index.html to view the website. Repository: https://github.com/shahkv95/Onlline-shopping-mart-website-mockup

3. Other dependency files are uploaded to the above GitHub repository.

Product Details

Blue Georgette Anarkali Suit

$149.99

Category   : Women's Fashion
Availibility   : In Stock

The advantage of a dress is that there is one made for every woman,
available in a wide variety of sizes, colors and styles so that women
can smoothly transition from a casual day look to something edgy
for the night.
